

INOXMARE SRL | VIA POMPOSA, 51/i | 47924 - RIMINI

To all customers of INOX MARE srl

Rimini, April 2022

California Proposition 65.

Dear Ladies and Gentlemen,

Thank you for your inquiry regarding California Proposition 65 (CP65). With the "Safe Drinking Water and Toxic Enforcement Act of 1986 (also known as "California Proposition 65 - CP65"), the US state of California regulates the handling and labeling of substances that are considered carcinogenic or can cause birth defects or reproductive hazards.

More details on the regulation and the corresponding list of hazardous substances can be found here: <https://oehha.ca.gov/proposition-65>.

As a dealer / importer of products (screws, nuts, small parts, etc.), Inox Mare Srl takes its role as an environmentally conscious and resource-saving company and the resulting obligations from CP 65 very seriously.

Our suppliers are selected and checked according to the above criteria. According to the current state of knowledge, the products and/or consignments imported and sold by Inox Mare Srl do not require any special labeling with regard to the requirements of CP-65.

Inox Mare Srl also has no knowledge of the use of our customers with regard to the products ordered from us. In this respect, Inox Mare Srl cannot assume any guarantees in connection with CP-65. Inox Mare Srl can only recommend that its customers check the current legal situation.

We are of course happy to answer any further questions you may have.

Best regards.

INOX MARE srl
